## Every family member deserves quality preventive care

That is why we offer health plans, a comprehensive and affordable pet health care solution designed to keep your pet healthy and happy.

### A few things to know about our plans:

- Only available to healthy patients as a preventative measure
- Valid at Orillia Pet Hospital for 1 year from sign-up date
- Payment can be made with Visa, MasterCard, or Visa Debit
- Include preventative items as outlined above and do not extend to any other diagnostics, treatments or medications
- Non-transferable and substitutions are not permitted
