## 1 PET INSURANCE IS FLEXIBLE

With plans available to suit all budgets, and multi-pet discounts, your pet can have the accident and illness protection they need.

## 2 OLDER PETS CAN BE INSURED

With Petsecure, there is no age limit to insuring your pet, allowing senior pets to be covered. Specific medical records are required for dogs over eight and cats over ten years of age.

**3 COVERAGE FOR HEREDITARY PROBLEMS**  
Regardless of what plan you choose, hereditary problems like allergies or hip dysplasia will be covered, as long as there were no signs or symptoms present prior to insuring your pet or during the waiting periods.

## 4 EASY DECISIONS

The last thing you want to worry about is if you can afford treatment for your pet. This is where pet insurance can alleviate those stressful situations and get your pet on the road to recovery.

**5 EMERGENCIES AND MORE**  
Emergency care is covered as well as dental care, massages, acupuncture, chiropractic and homeopathy treatments! Coverage for routine care (yearly check-ups, vaccines and more) is included on the Secure 4 plan.

## 6 ANY LICENSED VET IN CANADA CAN CARE FOR YOUR PET

There are no restrictions on the number of vets you choose. You can also visit any licensed vet in the USA if you happen to be traveling with your pet.

## 7 GREAT COVERAGE

Petsecure reimburses pet parents up to 80% of the costs of care and veterinary services, less an annual deductible. Coverage includes exam fees, taxes, prescriptions, hospitalization, and much more.

## 8 ILLNESS VS. ACCIDENT

75% of claims submitted to Petsecure are for illness, compared to 25% for accident.

## 9 PROTECT YOUR PET FOR LIFE

80% of senior pets and 40% of young and adult pets insured with Petsecure had claims submitted.
