# **WEIGHT MANAGEMENT PROGRAM**

PORT COQUITLAM  
ANIMAL HOSPITAL

## ABOUT THE WEIGHT MANAGEMENT PROGRAM

The program has been running at Port Coquitlam Animal Hospital for two years. We have seen impressive results thanks to Jennifer Lycett, Registered Veterinary Technician with 7 years experience in the veterinary field.

During the consultation you will discuss your home life, previous struggles and goals you want your pet to achieve while on the program. You then receive a specific plan tailored to your pets needs.

THIS PROGRAM IS IMPROVING THE QUALITY OF LIFE FOR SO MANY OF MY PATIENTS

## PERSONALISED PLANS TAILORED TO YOU AND YOUR PETS LIFESTYLE

- Rechecks either weekly, bi-weekly or monthly depending on progress. Together with Jen you catalog photos, measurements and make changes as needed.

## AFFORDABLE

- The program is \$45 dollars for the initial consultation. There are no other fees associated with rechecks.

## SUPPORT

- Jennifer provides you with follow up phone calls and is always reachable by email or phone if you ever have questions or concerns.
