

THE BEST IN PET AFTERCARE

CREMATION SERVICES

As a pet owner, you have the special responsibility of making aftercare choices on your pet's behalf. Working together with your veterinary clinic, we will gently guide you through the process of making cremation arrangements that are fitting for you and your pet.

PRIVATE CREMATION

Private cremation provides you with the opportunity to keep your pet's cremated remains as a permanent and personal keepsake. When you choose private cremation, your treasured pet will be the only pet in the cremation chamber during the cremation process. When the cremation process is complete, we ensure that you receive only the cremated remains of your pet in your choice of one of our standard urns.

When you choose a private cremation, you can be assured that you are receiving only your pet's cremated remains.

COMMUNAL CREMATION

With communal cremation, your pet is gently placed into the crematory together with other pets. When the cremation process is complete, the communal remains are collected and placed in a communal burial lot at one of our pet cemeteries. Because no cremated remains are returned to you when you choose a communal cremation, you may wish to consider one of our personalized memorial paw prints as a timeless remembrance.

PRIVATE VIEWING & VISITATION

Sometimes, being close to your pet as you say your goodbye is an important part of the grieving process. For pet owners who prefer to say goodbye to their cherished pet in a private setting with family and close friends, Gateway offers the opportunity for a Viewing & Visitation service. In a pleasant and serene visitation room, you will be in close proximity to your pet during the private cremation. Our Viewing & Visitation is a time for gathering together in ceremony to share a meaningful goodbye - to grieve, to celebrate and to remember a faithful companion. Whether your wish is for a quiet, reflective memorial or a joyful tribute, we will help you make these arrangements in a warm and supportive environment. There is an additional fee for this service. Please contact Gateway for further details.
