

ALLER-G OMEGA LIQUID

- support kidney and heart function
- maintain a healthy skin and coat
- maintain overall health
- support joint health.

Since dogs and cats cannot produce omega-3 essential fatty acids, they must be taken as dietary supplements.

Fish oil is the best source of omega-3 fatty acids for pets. Ongoing research indicates that they are a beneficial daily dietary supplement for humans, dogs,

Administer supplement to pet's food once per day. Each pump delivers 1 mL.
